Sd 5/4 Jagalur is a munsif Ct but it has an (appointed) munsiff President

Without previous sanction of the D.C. Chairman and of the Govt and without provision of funds in the Budget, the munsiff President purchased a radio set for Rs 1059/- and got it installed in the Town Hall at Jagalur, at the time of election for this Mofussil. When asked by the DC to explain, the President has stated that the opening ceremony was fixed for 29 8 1941 and as the radio was intended to be installed before that date, there was not sufficient time to apply for & obtain sanction of Govt to the proposal. Out of Rs 1059/- a sum of Rs 500/- has been paid already and it is stated that the balance of Rs 559/- would be met by public subscriptions.

SUBJECT —Purchase of Radio Set, Jagalur Minor Municipality

I have the honour to state that the President, Jagalur Minor Municipal Council has reported that a Radio Set with the required appliances was purchased from Messrs V S Rajagoplan & Co, Bangalore at a cost of Rs 1058-8-0 The Radio set has been installed in the Town Hall of the place

2 The Municipal Council while passing a resolution at their meeting held on 18-8-1941, resolved that in view of the Electrification of Jagalur Town in August 1941, that a Radio set might be purchased and installed and the required sanction of the Deputy Commissioner to incur expenditure in this connection be obtained in due course (vide resolution copy enclosed for reference)

3 The Municipal President paid Rs 500/- to the Company in anticipation of obtaining sanction and applied for the required sanction, in September 1941 reporting that in view of the urgency, the Radio set was purchased and installed

and that a sum of Rs 500/- was paid to the Company from out of the Municipality, in anticipation of obtaining the required sanction of the Deputy Commissioner

4 The Municipal President who was asked to explain as to how he incurred the expenditure without the required sanction, reports that the expenditure was incurred in anticipation of sanction in view of the fact that the opening ceremony of the Radio was fixed for the 29th August 1941

5 As regards the balance cost of Rs 559/- the Municipal President reports that it would be met by collection of donations from the public and adds that he will not give room for such unauthorised expenditure in future He requests that his action in having incurred the expenditure might be ratified It was no doubt highly irregular on the part of the President to have incurred an expenditure in anticipation of sanction

6 In these circumstances, I request that sanction of Government may kindly be obtained to the purchase of a Radio set at a cost of Rs 1050/- (in round figures) and to ratify the action of the Municipal President, Jagalur with a warning in having incurred an expenditure of Rs 500/- from the closing balance of the Municipality in anticipation of obtaining sanction, the balance amount of Rs 559/- being met from public donations

The connected records on the subject is enclosed for reference
